LET US HELP YOU REACH YOUR GOALS!

“For 2 ½ years, I worked toward my goal of obtaining a bachelor’s degree in nursing in order to pursue licensure as a nursing home administrator. This was after being out of school for close to 20 years, which only complicated the endeavor. Thanks to the LeadingAge Kansas Foundation, my ability to finance these classes was greatly enhanced which was a huge stress relief for me and my family. I received the LeadingAge Kansas Foundation scholarship for 3 years in a row and am proud to say that, thanks to the Foundation, I have achieved my goal and am now licensed as a nursing home administrator!”
