

Kansas Age-Friendly Nursing Workforce Forum

June 9, 2025 (Virtual Option Available)

10:00 am - 2:00 pm

Washburn Tech Conference Center - West Campus

5724 SW Huntoon St. | Topeka, KS 66604

DESCRIPTION

This learning event will join leaders and educators from nursing programs with directors and administrators from nursing homes and long-term care facilities across Kansas to explore and plan for integrating age-friendly didactic and clinical education with the care of older adults who reside in care facilities. This collaborative partnership between education and employment is designed to increase the number of nurses who chose this practice after graduation.

TARGET AUDIENCE

Nurses, Nursing Home Administrators, Deans, Directors and Faculty of community colleges, colleges and universities educating nurses, Administrators and leaders of nursing homes and long-term care facilities.

OBJECTIVES

Upon completion of the Forum, the attendees will be able to:

- Describe the components of evidence-based Age-Friendly Health Systems utilizing the Kansas 4M model
- Examine the educational and employment opportunities which can be supported by the Geriatrics Workforce Enrichment Program (GWEP)
- Identify current resources and opportunities for collaboration and launch 'next steps' of a strategic plan in educating and employing nurses in long-term care
