

November 1, 2025

As we approach the end of another remarkable year, I want to take a moment to celebrate the progress we've made together and express my heartfelt gratitude for your continued commitment to our shared mission. Thanks to your support and engagement, 2024 has been a year of growth, advocacy, and impact for the entire aging services community.

Through our collective efforts, we've secured critical funding, challenged regulatory overreach, and strengthened the voice of aging services providers at every level. Through our expanded training and leadership programs and powerful advocacy work, we have continued to ensure that our sector remains strong and resilient, advancing the quality of care for older adults across Kansas.

Looking ahead to 2026, our work is far from over. As the landscape of aging services evolves, so must we. The coming year presents new opportunities to innovate, advocate, and collaborate to ensure our communities continue to thrive. Your membership in LeadingAge Kansas not only provides you with access to valuable resources, networking opportunities, and advocacy support, it also strengthens our collective influence. Together, we will continue to shape the future of aging services and ensure that organizations like yours are empowered to succeed.

Thank you for being an integral part of our community. I look forward to all that we will accomplish together in 2026.

Yours in Gratitude,

Rachel Monger and the entire LeadingAge Kansas team
