Check in Question

What is one good or positive thing that has happened to you, a resident, a staff member or your organization this week?

*(Please type in the chat box
and try to keep it to a sentence or two)*

State Update

1. Additional State funding for nursing homes, HCBS and PACE recommended by the SPARK Task Force. Now what?
2. Update on County Coronavirus funds process, timeline
3. Download last week's webinar on state testing strategy
4. COVID-19 stats for Kansas at www.kdheks.gov

Federal Update

- Congressional agenda and advocacy
 - Email Roberts and Moran
 - mobilize4change.org/ZCwNBav
- CDC [Updated Isolation and Precautions](#)
- \$5B from Admin for nursing homes. Lots of questions. The "catch"
- Weekly staff testing requirement in states with 5+% case rate. Kansas is 8+%

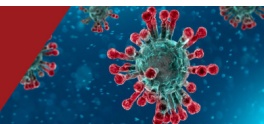

Education

Upcoming Webinar

Tuesday, July 28th | 1:00- 2:00pm

Dementia Communication 'on Steroids' during COVID

With Erin Bonitto, M.S., A.D.C.

PR Plan Update –We need your help!

- Basic overview
- Please share with Dana dana@leadingagekansas.org :
 - Thank you notes from resident families, others in the community
 - Quotes from residents, family members about how they feel you are doing
 - Stories about how your staff are going above and beyond to combat isolation, etc now
 - Stories of how you are working with your local health departments
 - Developing toolkit for how members can help
