

LeadingAge Kansas COVID-19 Weekly Update December 11, 2020

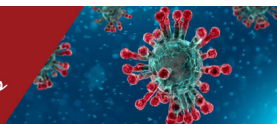

www.leadingagekansas.org/covid19

State Update

[EO 20-23](#) Testing in all adult care home settings

- Assisted living, homes plus, residential health care facilities, ICF-MR, adult day care, NFMH, non-Medicaid/Medicare nursing homes
- Mirrors federal testing requirements for nursing homes
- Effective Monday, December 14th

State Update

Vaccine Distribution

- Phase 1 includes long term care workers (all workers, not just clinical staff) and long term care residents.
- Long term care residents includes nursing facilities, assisted living, CCRC, personal care homes, residential care, adult family home, adult foster home, IDD, HUD 202, Veterans' homes
- The state expects nursing homes to start receiving vaccines through federal partnership at end of the month. CVS and Walgreens will have their own vaccine allotment outside of state supplies
- For those not participating in the CVS/Walgreens partnership they will be in phase 1 of state distribution, but timing is still unknown.

Federal Update

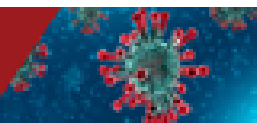

- [Vaccine FAQ](#) *UPDATED* from LeadingAge National
- CVS/Walgreens Vaccine Partnership
 - Should be hearing from your chosen pharmacy soon with more details and instructions
- [Five Star System Updates](#) scheduled for January 27, 2021
 - Latest 5-star reports sent out last week – contact Dana if you didn't get yours
