

DIRECTOR OF NURSING COLLABORATION GROUP MEETING AGENDA

NOVEMBER 13, 2024

2:30 – 3:30 PM

Topic: Education For Your Team

Come to the meeting prepared to share!

- How do you decide what types of education is most important/relevant for your team?
- What resources/organizations/software do you use most for education?
- What content are you struggling to find education on? What content can you find a lot of education on?
- In-person education opportunities vs. live virtual education vs. independent student education
 - Pros and Cons of each
- How to find training on new regulations and topics
- How to find training on a budget
- Strategies for efficiently training a large team
- Balancing training needs of different types of staff (RN, LPN, CNA, CMA, etc.)
- Do you have consistent training for all new nurses? How do you manage it?
