Person Centered Dementia Care

Belinda Vierthaler LMSW, LACHA

Serving people with dementia is rewarding and challenging. This presentation is designed to describe how to create an environment where people with dementia and the people working with them can thrive. There will also be an interactive discussion of how to individualize care for people with dementia.

It's Not You, It's Me... Transitions

Belinda Vierthaler LMSW, LACHA

Moving to an adult care home is a tough decision. Many consumers feel once they move in they can stay "forever" in your communities. Sometimes we must part ways, but we need to make sure residents and their loved ones don't feel like they have done something wrong. This presentation will discuss how to establish criteria, when to discuss it with residents and their families and how to keep staff informed.
