Kansas Department for Aging and Disability Services
Kansas Health Care Association • Kansas Adult Care Executives*

8:30 AM - 9:00 AM REGISTRATION**9:00 AM - 10:30 AM WHAT IS ANTIBIOTIC STEWARDSHIP AND HOW DOES IT IMPACT LONG TERM CARE? 1.5 RC**

Nadyne Hagmeier, RN

Quality Improvement Consultant, Kansas Foundation for Medical Care, Inc.

Antimicrobial resistance is one of the most serious health threats in the United States as well as an increasingly growing global health concern. To prevent returning to a time when simple infections were often fatal, it is imperative that health care providers must work to preserve the valuable resource represented by antibiotics. This session will discuss the growing threat of antimicrobial resistance, the impact of antibiotic stewardship strategies and how they factor into the long-term care environment.

10:30 AM – 10:40 AM BREAK**10:40 AM – 12:10 PM INFECTION PREVENTION BEST PRACTICES – UTILIZING THE “ALL CAUSE HARM PREVENTION IN NURSING HOMES” CHANGE PACKAGE 1.5 RC**

Brenda Davis, BSN, RN, CIC

Quality Improvement Project Manager, Great Plains QIN/Kansas Foundation for Medical Care, Inc.

This session will review the most frequently cited infection prevention activities on survey and how those can be addressed using the best practices addresses in the “All Cause Harm Prevention in Nursing Homes” change package. It will also show how the change package was developed and its’ relevance to nursing homes through work in the National Nursing Home Care Collaborative.

12:10 PM – 1:20 PM LUNCH ON YOUR OWN**1:20 PM – 2:20 PM SURVEY TRENDS – FREQUENTLY CITED DEFICIENCIES 1.0 A**

Patty Brown, RN MS

Interim Commissioner Survey, Certification and Credentialing

Dawn Stevenson, RN

Director of Survey and Certification

This session will review the most frequently cited deficiencies in both nursing facilities and assisted living and what providers can do to address issues related to these common deficiencies.

2:20 PM – 2:30 PM BREAK**2:30 PM – 4:00 PM PROTECTIVE OVERSIGHT OF WOUND CARE IN A MEGA RULE WORLD 1.5 RC**

Martha Kelso, RN

HBOT, Would Care Plus, LLC

Wound regulations can be complicated, complex, and cover a wide array of topics since the implementation of the MegaRule phases. This educational opportunity will discuss the process of overseeing wounds without having to physically see or touch wounds in person. What processes should be in place? What processes must be in place? How do you know if your building is meeting the current regulations? Martha R Kelso will cover current topics and regulations as well as processes to help maintain best practice.
