ANNUAL WORKERS COMPENSATION

Seminar

NOVEMBER 17

Larksfeld Place | 7373 E 29th Street N, Wichita, Kansas

KING is pleased to sponsor this year's Annual Workers Compensation Seminar.

This year's seminar highlights include Workers' Compensation Case Law Update, the use of Functional Capacity Evaluations and Regenerative Medicine.

All KING members are encouraged to have a representative attend this important event. All LeadingAge Kansas members are welcome to attend. Administrators and nurses will receive continuing education credits for attending the entire seminar.

KING is a group-funded workers compensation pool that has provided workers compensation coverage for members since April 1, 1990. KING is an innovator in workers compensation and has developed specific programs for elder care organizations:

- Loss control programs specifically tailored for your organization
- Innovative programs including the Safe-lift and STAR training program
- Aggressive claims management
- Nurse case management for incidents involving lifting or transferring of residents and other potentially difficult claims
- Over \$6 Million in dividends returned to members

WHO SHOULD ATTEND?

Human Resource Professionals, Administrators, Nurses and any staff responsible for workers' compensation in their organization should attend. **Every KING member should have a representative attend this seminar.**

SEMINAR OBJECTIVES

At the conclusion of the seminar, participants will be able to understand, identify and/or implement:

- New KING resources available to members
- New case law impact on workers' compensation
- How Functional Capacity Evaluations can impact workers' compensation outcomes
- The potential benefits of regenerative medicine in workers' compensation

FACULTY

Kevin McFarland is the President of the KING program. Kevin has been with LeadingAge Kansas & KING for more than 30 years. Kevin manages the operation of KING – a group-funded workers compensation pool providing risk management services to over 50 LeadingAge Kansas members. Kevin earned his Bachelors Degree in social work from Kansas State University. He was the Director of Social Services at Meadowlark Hills in Manhattan prior to joining LeadingAge Kansas in 1985.

Ed Reasoner is the Manager of Risk Management Services with Thomas McGee; L.C. Ed joined Thomas McGee in 2002 and has worked in the Risk Management Department since 2004. He has over 30 years industry experience working with a major insurance company and an international brokerage firm for most of his career. Ed has a Bachelor of Science degree in Finance from Northwest Missouri State University and has obtained the professional designations of Chartered Property Casualty Underwriter and Associate in Risk Management.

Mike Entz has been the primary legal counsel for the KING program for fifteen years. Mike has defended numerous workers compensation claims and worked closely with Thomas McGee claims adjusters and LeadingAge Kansas members. Mike's practice also involves multi-party commercial construction litigation. Mike earned his Bachelors of Science Degree in business administration from the University of Kansas, Masters Degree in Business from Washburn University and Juris Doctorate from Washburn University School of Law.
